

# **Indogerman Wire Screen Co.**

**Wire Mesh and Sifter Sieves Manufacturers**

# About Us

A global manufacturer and exporter of Wire Mesh, Stainless Steel Wire Mesh, Woven Wire Mesh, PB wire mesh, Brass Wire Mesh, Wire mesh Filter, Sifter Sieves, Perforated Sheets, Expanded Mesh, Welded Mesh, Conveyor Belt, Wire Cloth, Vibro Sifter, Demister Pad, Concertina Wire, Chain Link Fence, Industrial Filter, Metal Wire Basket, Sieves for Multimills and Safety Screen solutions. We supply diverse products to a wide range of markets, allowing us to leverage our knowledge and technologies across our broad customer base.

# Quality Policy

We are a quality leading organization in the market, we priority our work to ensure high quality. Our product range is varied and large. These quality inspectors undertake quality tests on various parameters:

Tensile strength Thickness of wire Hole size in the mesh  
Dimension of mesh Trimming of wire  
Corrosion resistance

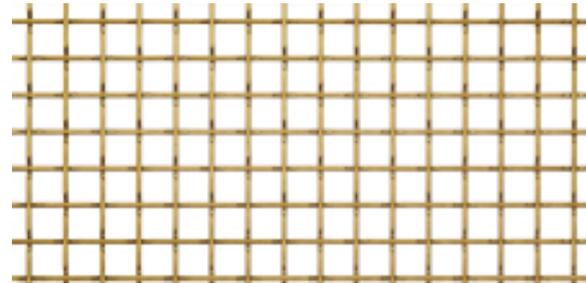

# Wire Mesh

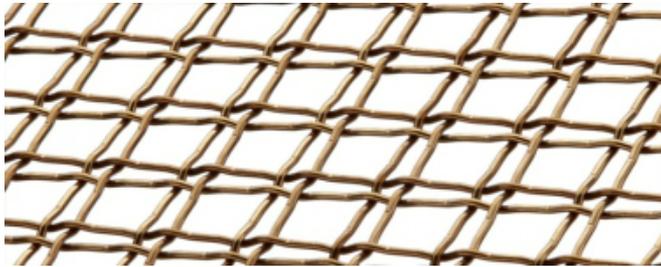

We manufacture wire mesh, or welded wire Mesh, or "weldmesh" is an electrical fusion welded prefabricated joined grid consisting of a series of parallel longitudinal wires with correct spacing welded to cross wires at the specified spacing.

**Stainless Steel Wire Mesh**

**Brass Wire Mesh**

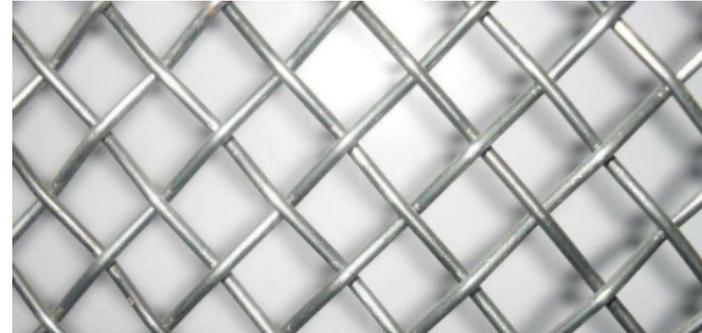

Woven Wire mesh

Hexagonal wire mesh

Galvanized Wire mesh

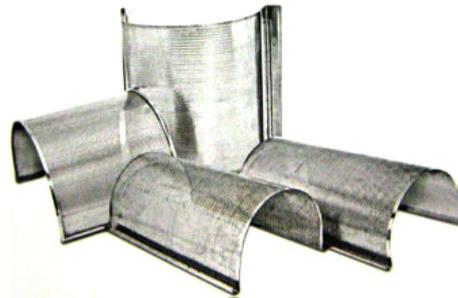

Plain weave wire mesh

# Sifter Sieves

## Type of Sifter Sieves

- Vibro Sifter Sieves
- Flex Sifters Sieves
- Lead Free Sifter Sieves
- Lead Free Turbo Sifter Sieves
- Sifter Sieves for Separation
- Test Sieves
- Stainless Steel Sifter Sieves
- Sieves for Multimills
- Fluid Bed dryer Sieves
- Cadmill Sieves
- Fitzmill Sieves

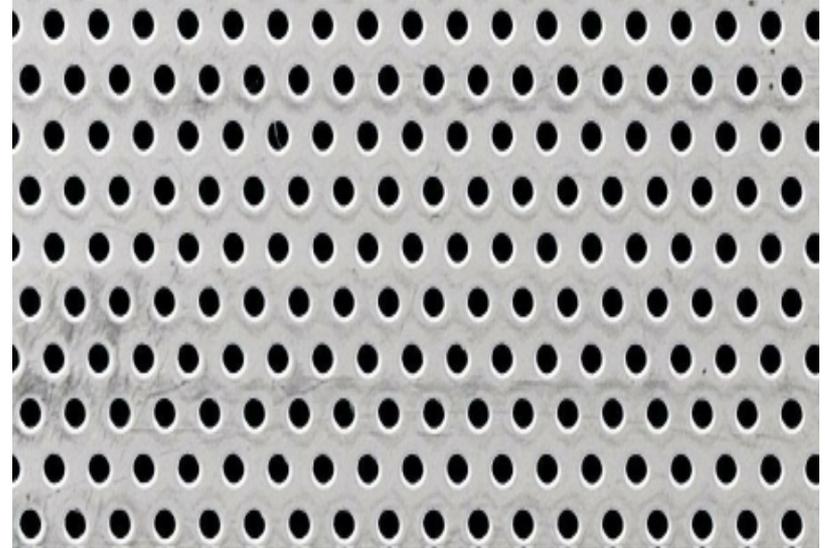

# Perforated Sheets

## Type of Perforated Sheets

- Brass Perforated Sheet
- Perforated Metal Sheets
- Stainless Steel Perforated Sheet
- Mild Steel Perforated Sheet
- GI Perforated Sheet
- Monel Perforated Sheet
- Copper Perforated Sheets
- Round Hole Perforated Sheet
- Square Hole Perforated Sheet
- Slot Hole Perforated Sheet

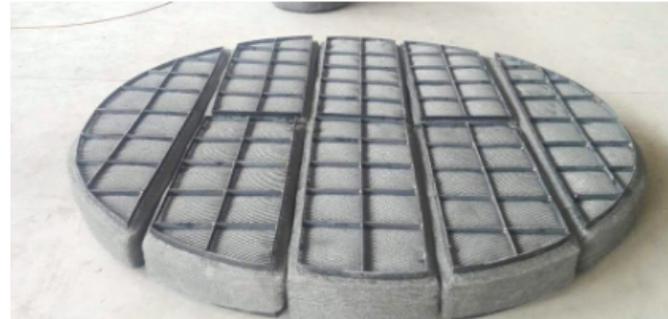

# Demister Pad

## Types of Demister Pad

- Stainless Steel Demister Pad
- Carbon Steel Demister Pad

# Industries We Serve

Aircraft

Automobile

Biscuit

Chemical

Ceramics

Cement

Cock Industry

Clay

Coal Industries

Drugs

Electronic

Fabrication

Foods

Gas

Hydraulic Filters

Inks

Imitation Jewelry

Lime

# Contact Us:

## Our Office:

Street: 134 Keytuo Industrial Estate,  
220 kondivita road, Andheri East  
Mumbai, Maharashtra India - 400059

## 24/7 Quick Contact

- Phone: 91 - 9820291268
